A serene winter landscape featuring a snow-covered river or stream. The banks are heavily laden with snow, and the surrounding trees and bushes are also covered in a thick layer of white. The water in the river is a calm, light blue-grey color, reflecting the overcast sky. The overall scene is peaceful and quiet, capturing the beauty of a snowy day.

**“Ideologias em um mundo pós-moderno: a importância de viver a cosmovisão e a missão cristã no ambiente universitário”.**

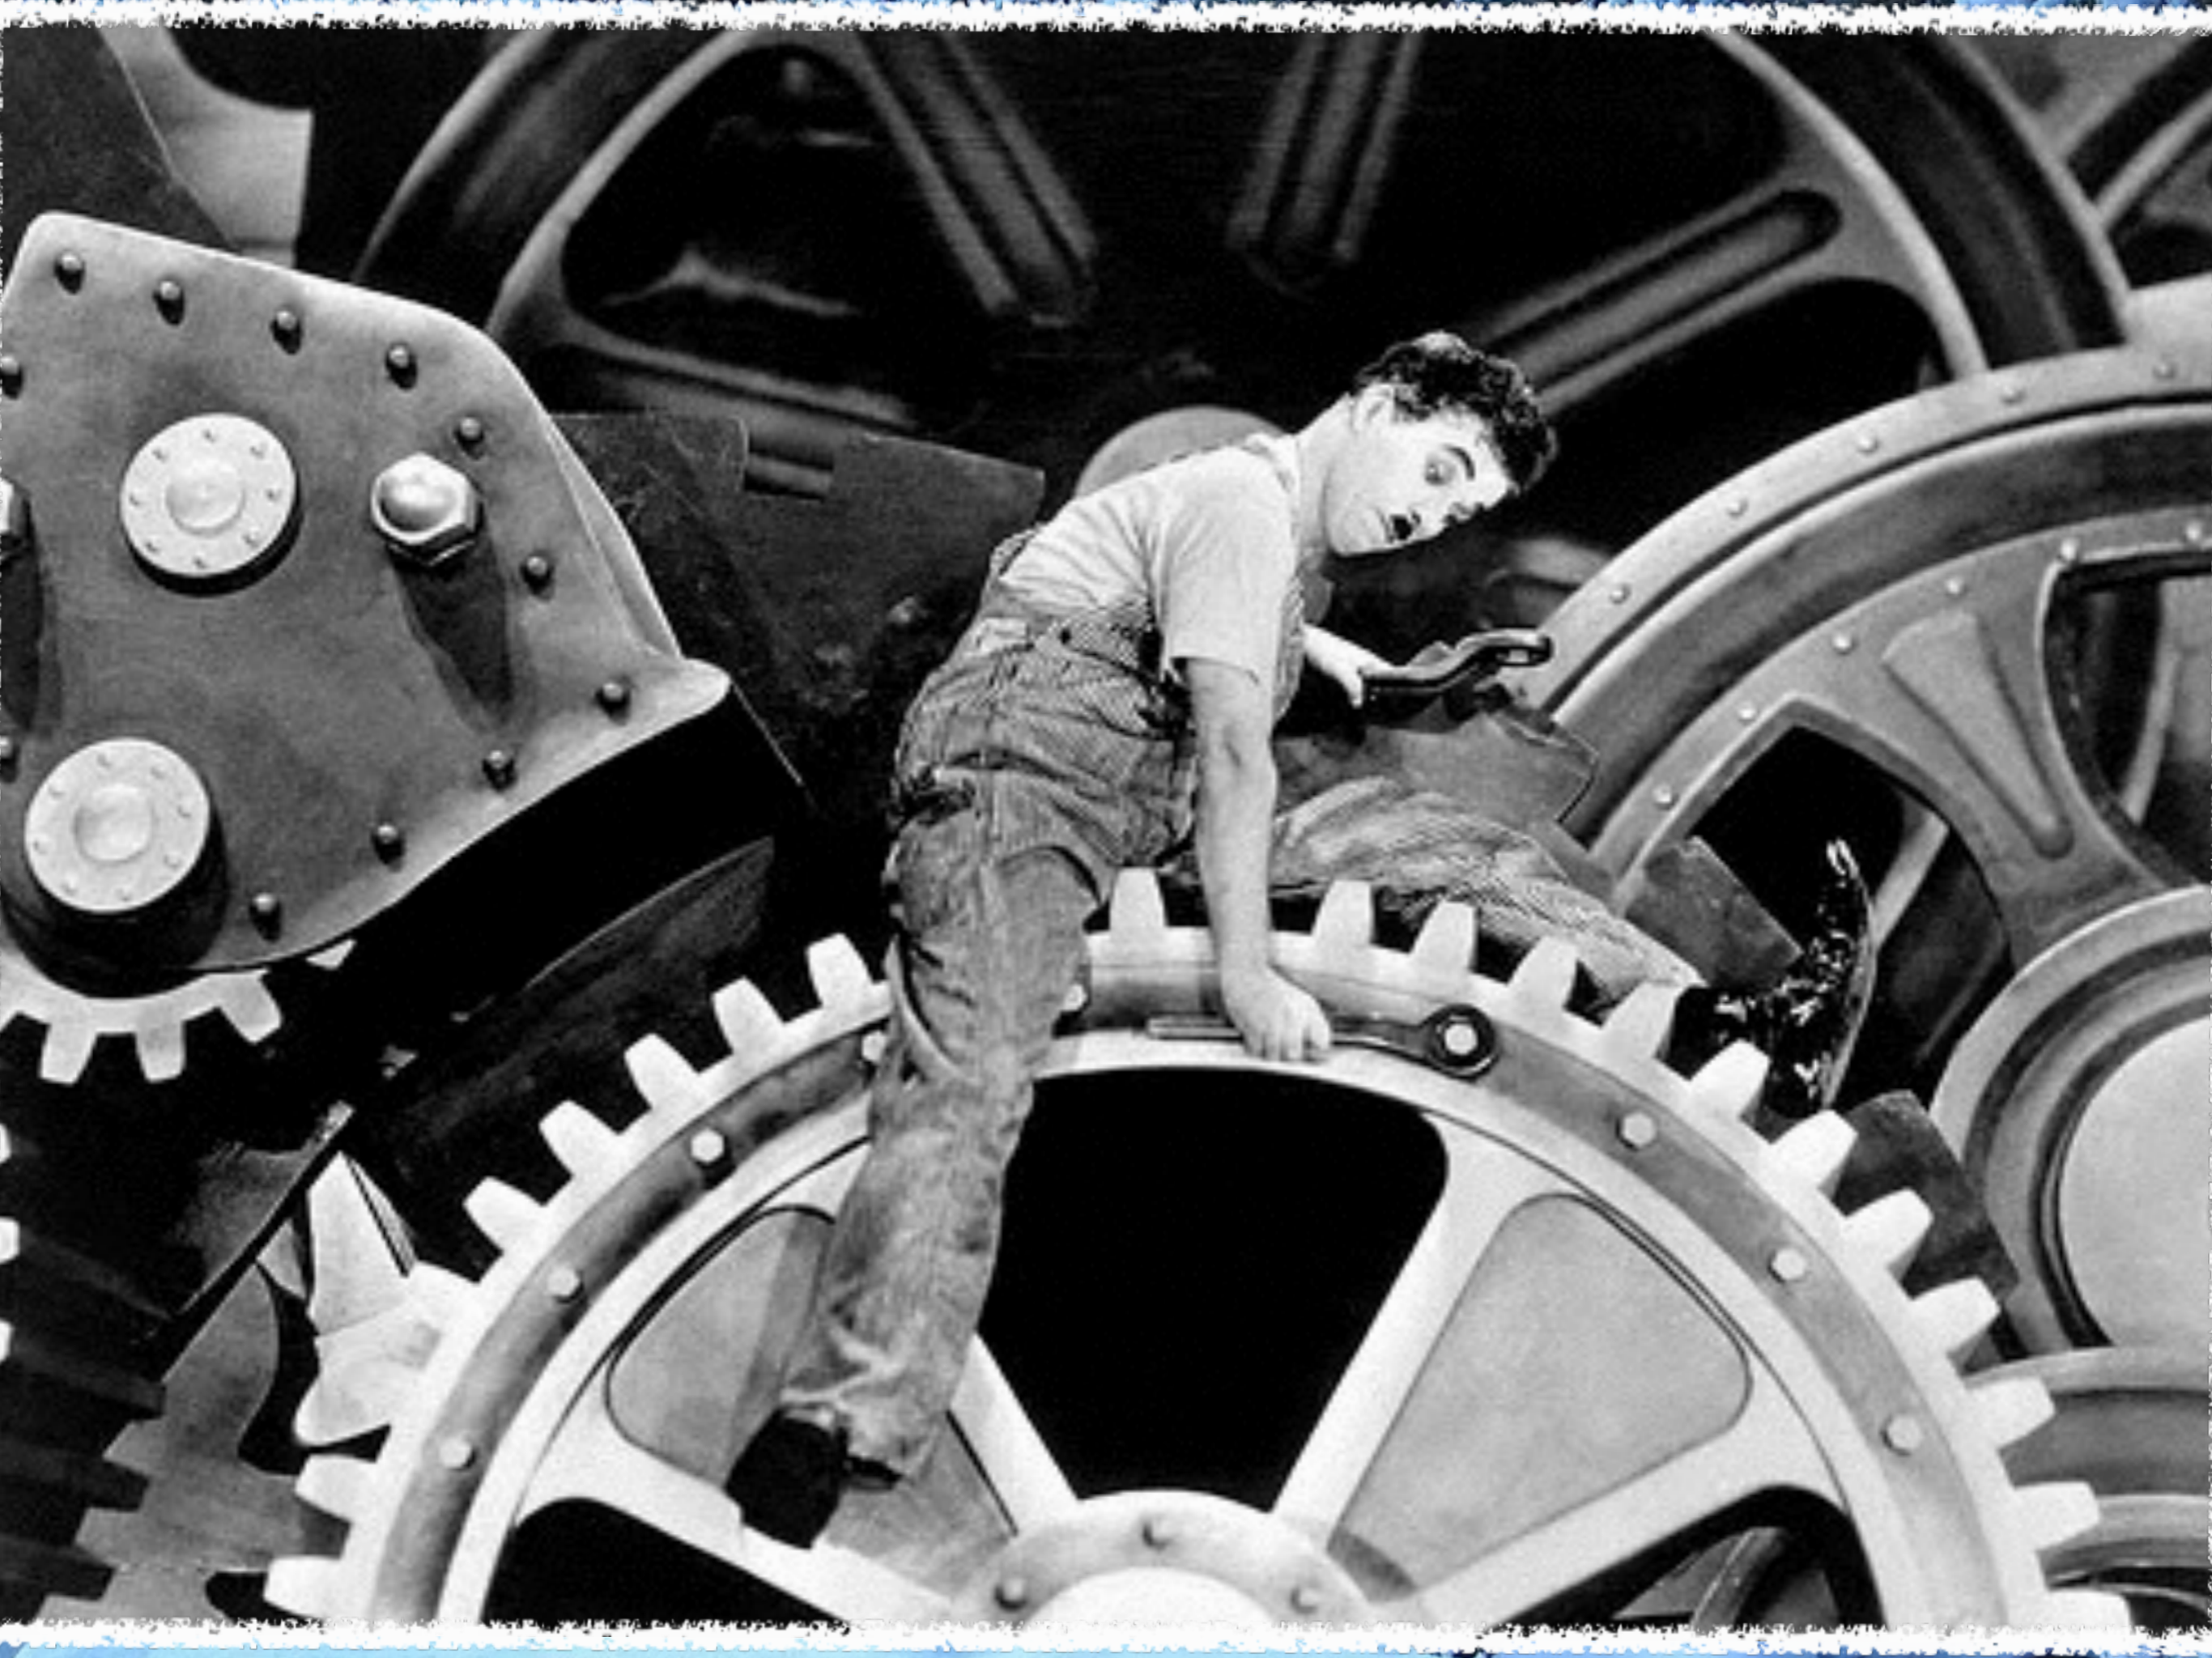

Daniel Medeiros

A serene winter scene featuring a frozen pond or stream. The water is covered in a thin layer of ice, with several large, snow-laden logs and branches protruding from it. The surrounding trees and bushes are heavily blanketed in snow, creating a peaceful and quiet atmosphere.

Ralph Waldo Emerson  
(1803-1882)

Vivemos como se estivéssemos  
sobre uma fina camada de gelo, se  
pararmos ele racha.

A winter landscape with snow-covered trees and a frozen body of water. The scene is captured in a cool, blue-toned light, suggesting a cold, overcast day. The snow is thick and covers the ground, trees, and the edges of the water. The water in the foreground is partially frozen, with a smooth, icy surface. The trees in the background are heavily laden with snow, their branches creating a complex, white pattern against the sky. The overall mood is serene and quiet, typical of a winter day in a rural or natural setting.
