One Step Behind Jesus: The Evolution of a Disciple

Luke 22:54-62

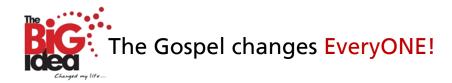

Pastor Scott Praxl

April 12, 2015

What is most striking about Peter's denial of Jesus is not the denial itself, but the radical shift in Peter from follower to traitor almost overnight. How could Peter go from swearing fealty to Jesus one moment to denying Him once...twice...three times!?

Peter's evolution is very much like own.

Yet, it's not Peter's movement away from Jesus that is most striking, but rather Jesus' movement towards Peter.
