

Show and Tell: Talk a Walk

Philippians 2:5-8; Galatians 5:25; and Mark 13:11

Pastor Myron Daum

July 26, 2015

Remember **Show and Tell** from grade school? You would show the class something and then tell them about your experience with it. We still do it today -- just look at Facebook, Twitter, and Instagram. We can use **Show and Tell** to help others learn about and meet Jesus. To get started, you just need to talk a little walk toward someone . . .

Show and Tell Defined

Showing = **Actions**

Telling = **Words**

Show and Tell involves **taking a walk** toward someone.

Follow the example of Jesus in Philippians 2:6-8.

He took a long and humbling walk.

True followers of Jesus give themselves **to Him** and get **His heart** for people.

Show and Tell involves **trusting the Holy Spirit** to guide you.

Check out Galatians 5:25 and Mark 13:11.

Takeaway:

Tune into and cooperate with the **promptings** of the Holy Spirit!

Realize it is the Holy Spirit alone who changes hearts and minds.

We can't; but, we can play our part in helping someone along their spiritual journey.

Are you willing to **Show and Tell** as the Holy Spirit prompts you?

Are you making yourself available to be used by the Holy Spirit in someone's life?

Apply: Identify one or two people who need you to Show and Tell ...

Will you take a walk toward them as the Holy Spirit directs?

With your smart device, scan the QR Code (image to the right) to directly access this week's Sermon-Based Study Questions (if available). We encourage you to join a Growth Group to discuss SBSQ with others! Contact Pastor Scott for more information.

An audio copy of today's worship service is available on CD by request at the table near our Welcome Center. Listen to sermons and access: sermon notes, Sermon-Based Study Questions, current information, event details, online registrations, contact listings, forms, and much more from our website, NorthMarChurch.com, and our church app. Our free church app, North-Mar Church, is available in the App Store, Google Play, and Windows Store.
